239/22 TO DISCUSS THE FUTURE OF THE PIER PLAY AREA

The Pier Play Areas was closed to the public, some four years ago, due to concerns regarding the safety of the play equipment. The Council considered the options for the play equipment. These included; deferring a decision, renovating the equipment and upgrading the matting, which was estimated to cost around £25-£30,000, removing the play equipment and making safe the flooring, estimated to cost £4,000 - £5,000, or renewing the equipment and matting at a cost estimated to exceed £50,000.

IT WAS RESOLVED (i) that the Town Clerk liaise with RoSPA and ascertain the life expectancy of the existing play equipment.

(ii) the services of a Landscape Architect be engaged to prepare proposals for the Pier Car Park Area.

The meeting came to an end at 7.35pm
